

BRACKEN RIDGE STATE HIGH SCHOOL ANNUAL IMPROVEMENT PLAN 2023

STUDENTS LEADING THEIR OWN LEARNING

ENACT VISIBLE LEARNING AND TEACHING

This means - Visible learning is implemented in the classroom by teachers. Students start leading their own learning.

This work focuses on our team having consistent schoolwide Visible Learning practices.

EMBED THE MODERATION, DATA AND DIFFERENTIATION CYCLE

This means - Engaging in scheduled, purposeful moderation activities, collaboratively analysing class and cohort data, and enacting targeted teaching for individuals and groups. Students know their data and work towards their goals.

This work focuses our work on the area of biggest impact.
