Our Goal:

The goal for the scheme is to provide technology options that are affordable to families while, at the same time, meeting the needs of our staff, students and school.

- Laptops and Desktops are widely used in the school currently to assist in student learning. Our curriculum is fast moving to an E-Learning style and we wish to ensure the highest delivery options and service to our students.
- Online Learning environments are being established to offer access to learning 24/7, 365 days/yr.
- Environments emerging with anytime access include but are not limited to –
 - Blackboard E-Learning
 - ClickView Online
 - Sharepoint Teamsites
 - OneNote Classroom
 - OneDrive for Students
 - Excel Online
 - Word Online
 - PowerPoint Online

In 2019 we introduced a successful Laptop Resource Scheme for Years 10-12 at BRSHS, with 95% uptake from all families for the Laptop Scheme.

In 2022 we will commence a Laptop Scheme for Years 7 also. If you have students starting Year 7, Please see Year 7 documentation on website as pricing is different.

Students and parents/caregivers are asked to lend their support to this very valuable and innovative Laptop Scheme. Strong support from parents and caregivers is paramount to ensure the Laptop Scheme is successful and that students gain the maximum benefit.

This program only supports school owned devices, being provided to students for educational use at school and at home. In order to maintain the security of Department of Education and Training (DET's) network and supported **Managed Operating Environment (MOE), privately-owned devices will not be connected to the network.**

The **Take-Home Handbook and Charter and Laptop Order Forms** are available from our website <https://brackenridgeshs.eq.edu.au/Supportandresources/Studentresources/Pages/Studentresources.aspx> or from the School Administration during office hours.

(Forms for 2022 will be online from Third Term or upon enrolment)
