

Bracken Ridge State High School

How to access your child's online learning activities

Computer/Device

Your child can access their online learning activities using most devices. This includes laptop or desktop computers, iPads and other tablet computers.

How to access your learning activities:

Open a web browser

- Google Chrome, Firefox, Safari or Microsoft Edge are supported.
- Internet Explorer will not work.

Supported	Web Browser
	 Google Chrome Free Download
	 Apple Safari Standard on Apple devices

Supported	Web Browser
	 Firefox Free Download
	 Microsoft Edge Standard on Windows 10

Not supported	Web Browser
	 Internet Explorer Standard on Windows 7-8

Access via the school website:

To access the school website click this link: <https://brackenridgeshs.eq.edu.au/Pages/default.aspx> or enter www.bracridgshs.eq.edu.au into the above supported browsers. Once you access the school website move to the bottom of the *Home* page and you will see the following list of links. Click on *BRSHS Teamsite*; this will take you to the *SharePoint* site.

Quick links

- OWA - EQ Webmail
- BRSHS Teamsite
- Learning Place
- OnePortal
- OneSchool
- Clickview
- Investing 4 Success Agreement (PDF, 261kB)
- BPoint Payments

takes you to this page →

At this point click on *Students* and the next page will provide access to all the links/platforms for learning that class teachers may make reference to.
