BRACKEN RIDGE STATE HIGH SCHOOL
YEAR 12 Essential Mathematics
Overview

TERM	UNIT	SUB TOPICS	ASSESSMENT
Term 1	Unit 3 Fundamental topic: Calculations	• Measurement • Scales, plan and models • Summarising and comparing data	• IA1: Problem solving and modelling task
Term 2	Unit 3 Fundamental topic: Calculations	• Measurement • Scales, plan and models • Summarising and comparing data	• Common Internal Assessment (CIA)
Term 3	Unit 4 Fundamental topic: Calculations	• Bivariate graphs • Probability and relative frequencies • Loans and compound interest	• IA2: Problem solving and modelling task
Term 4	Unit 4 Fundamental topic: Calculations	• Bivariate graphs • Probability and relative frequencies • Loans and compound interest	• IA3: Examination
