Investing for Success

Under this agreement for 2019
Bracken Ridge State High School will receive

$172,159*

This funding will be used to

Ensure that every student succeeds with:

1. **Effective Learning** through:
   - Ensuring that Project Team support staff to fully embed best practices in Explicit Instruction, use of Data, Numeracy, Global Learning, E Learning, Student Leadership and Writing
   - Implementing effective formative, summative and moderated assessment practices based on the Australian Curriculum and SATE syllabuses

2. **Exceptional Staff** through:
   - Developing and maintaining a highly skilled and capable workforce, with a focus on the skills and knowledge to embed the Australian Curriculum in the Junior School and ensuring that Year 10 effectively transition to SATE in Year 11 in 2019
   - Engagement with professional learning teams, cooperative and collaborative teaching based on action research through every teacher engaging with a Project team
   - Continue to engagement with BASE school cluster (Bracken Ridge SHS, Aviation High, Sandgate DSHS, Earnshaw College) in shared professional development, moderation and assessment practices

3. **Strong Partnerships** through:
   - Enhancing traditional and digital media communication strategies to support and positive partnerships with parents, caregivers and key community partnerships
   - Reviewing and developing quality relationships with key vocational and tertiary education stakeholders to provide innovative learning opportunities and diverse pathways for students.
   - Sustaining key VET partnerships to ensure all non-OP student gain a nationally recognized Certificate by exit

* Funding amount estimated on 2018 data. Actual funding will be determined after 2019 enrolment data are finalised. Actual expenditure may be varied due to changes in finalised 2019 enrolment data and student learning needs.
4. **Well-Being** through:
   - Focusing on *Every day counts* and *Back to Basics* - with students in attendance, alert, equipped and ready to learn
   - Providing coordinated and targeted student support services within a clear Wellbeing Plan and team operations

**Our initiatives include**

- Sustaining project groups of expert teacher teams and teacher aides to support teachers implementing and embedding whole school literacy and numeracy programs
- Continued employment of our Executive Services and Marketing Officer to build and sustain community and school partnerships, promote effective communication across the whole school community
- Employ and Every Day Counts Officer (EDC) to implement innovative, positive and effective attendance strategies to build an attendance culture
- Sustain innovative strategies ensuring that we track and support every Year 12 to exit with a QCE through TrackEd
- Building leadership skills in the Leadership Team through identifying and sharing best practices within faculties to ensure improved student outcomes
- Engaging with the community and ‘real world’ learning opportunities through the continued lease of a school bus

**Our school will improve student outcomes by**

- Employing an Executive Services & Marketing Officer ($70 000)
- Employing Every Day Counts Officer to improve attendance ($30 000)
- Providing additional Teacher Aide time to support student with learning difficulties ($45 000)
- Additional hours for Indigenous Teacher Aide to Close the Gap Strategies ($10 000)
- Leasing a school bus ($20 000)
- Total ($175 000)

*Funding amount estimated on 2018 data. Actual funding will be determined after 2019 enrolment data are finalised. Actual expenditure may be varied due to changes in finalised 2019 enrolment data and student learning needs.*
